What are you being guided to create in 2019?

*How is your Soul leading you to enjoy flow & increase your
radiance in 2019?*

Who are you becoming in 2019?

Join spiritual career coach, and author, Lisa Espinosa, for a day of joy and nurturing, focused on creating a year of flow and radiance as you evolve your career & the way you serve the world.

The retreat will include:

- Time to play and connect with your Soul so you can listen to Her guidance on what she's leading you to create in 2019.
- Powerful and joyful manifesting practices to enhance your magnetism to all the things you want to create in 2019.
- Nurturing time to engage with like-minded women in an uplifting sacred environment.
- Reiki to enhance your intuition and help you release anything that can get in the way from you receiving the fruit of your manifestations.

**No prior Reiki experience necessary*

Lisa Espinosa is the author of *Answering Your Inner Calling*, winner of a 2017 Independent Press Award. She offers customized coaching programs that help clients evolve their career from the inside out. Lisa integrates spiritual principles with her training in the Internal Family Systems model of psychotherapy and Reiki energy healing.
